

SIELLA. THE STANDARD IN FLEXIBLE OFFICE LIGHTING.

- Low investment costs and high energy efficiency make Siella G8 the perfect entry-level solution
- Thanks to its extremely low construction height of only 30 mm, the luminaire fits into almost any intermediate ceiling cavity
- Siella G8 is optionally available with UGR 19 for VDU workstations or with UGR 22 for all other office areas
- The eighth generation offers even more flexibility in use thanks to up to 4 Multilumen and 2 Multicolour settings.
