VARITURA

UNDERLINING DESIGN

HIGHLIGHTS

Underlining Design

Varitura combines functionality and attractiveness with high-efficiency LED technology in a square, translucent profile.

Ideal for subsidies

With up to 160 lm/W and a service life of L80 50,000h, the VARITURA can be used for subsidies/building certifications! Good performance and sustainable light even with a tight budget!

Refurbishments in no time at all

Flexible fixing on the rear of the luminaire means existing drilling points and suspension spacings can be used.

Universal applications

Dust and splash-proof: thanks to the IP54 housing, VARITURA is just as suitable for offices and educational facilities as for ancillary rooms and technical areas.

Future-proof

Durable and efficient, and thanks to a modular design it can also be retrofitted and repaired –all this makes VARITURA a sustainable lighting solution.

Varitura

Efficiency
Up to 160 lm/W

Mounting
Suspended, ceiling surface-mounted,
wall surface-mounted (vertical only!)

Luminaire luminous flux
1,200 mm: 3,700 lm, 4,800 lm
1,500 mm: 4,700 lm, 6,100 lm

CRI | colour temperature
CRI > 80 | 3,000 K | 4,000 K

Service life
50,000h at L80 tq 25°C

Ambient temperature
-25° to +35 °C

Optik | UGR
DW19 – wide distribution UGR ≤ 19 /
DSE workstation ≤ 3000 cd/m²
DW19-IL – wide distribution UGR ≤ 19

Switching type
ETDD

Accessories
Wire suspensions,
wall and ceiling fixing

UK CA CE IP54

Varitura 12...ETDD

Varitura 15...ETDD
