

ARIMO FIT D. PLANAR LIGHT IN A NEW DIMENSION.

- Thanks to the wide range of optics, module sizes and mounting methods (lay-in, recessed and surface-mounted), all lighting tasks for planar lighting in offices can be solved with the Arimo Fit range of luminaires
- Wider range of optics, luminous flux packages, mounting types and colour renderings with pioneering energy efficiency and service life
- Attractive, unmistakable appearance due to unique design elements and the customisability of the housing colour and optics
- Customised solutions for the efficient 1:1 replacement of conventional luminaires
